EXPERIENCE

MBCIE | **Intern** **June 2024 - July 2024**
- Integrated 3D models into the company website using Three.js.
- Contributed to AR/VR development in Unity, enhancing interactive experiences.
- Assisted in writing a research paper on cutting-edge VR and MobileXR technologies.

CERTIFICATIONS

Cs50x | **Harvard University Cambridge, Massachusetts**
- Harvard's CS50 is an introductory course for all experience levels, covering C, Python, SQL, HTML, CSS, and JavaScript. It builds core programming skills and culminates in a final project, preparing students to learn new languages independently.

PROJECTS

Red Cross Ludhiana | **Govt of India** **LIVE**
- Designed and deployed a government-focused website utilizing React, ensuring cross-device compatibility and Bootstrap-based styling for an enhanced user experience, attracting over 1,000 monthly users.
- Created server-side APIs using Express, improving real-time notice board update efficiency by 80% and enabling JWT-secured authentication.
- Streamlined data operations through MongoDB, reducing user access management time for government stakeholders by 70%.

Bizzplus | PERSONAL PROJECT **LIVE**
- Developed an engaging company website featuring React-driven interactive components and Bootstrap for a modern, responsive design, attracting over 100 monthly users.
- Engineered a robust backend with Express, integrating email automation and a dynamic admin panel, streamlining content updates by 60%.
- Leveraged MongoDB to handle high volumes of data, ensuring scalability and secure user interactions.

LEADERSHIP EXPERIENCE

Causmic Club | **Technical Head** | **Guru Nanak Dev Engineering College** **Apr 2023 - Dec 2024**
- Handled a team of developers, overseeing the creation of websites tailored to the specific requirements of ongoing events.

Initiators of Change | **Volunteer** **Sept 2023 - Present**
- Educated underprivileged children under the USAARI project, conducted "I Vote I Lead" seminars on civic engagement, and participated in community outreach and support programs.
